CIRCULAR

1. INTRODUCTION

The audited financial results of Mpack for the year ended 31 December 2016 were released on SENS on Thursday, 2 March 2017 and published in the press on Friday, 3 March 2017. In these results announcements, Mpack Shareholders were advised that the board of directors of the Company ("Board") had resolved to declare a final distribution of fully-paid Mpack ordinary shares of no par value ("the Scrip Distribution") to ordinary Shareholders ("Shareholders") recorded in the register of the Company at the close of business on the Record Date, being Friday, 31 March 2017.

Shareholders will, however, be entitled to elect to receive a cash dividend of 65 cents per ordinary share of no par value held on the Record Date, being Friday, 31 March 2017, in respect of all or part of their ordinary shareholding, instead of the Scrip Distribution ("the Cash Dividend"). The Cash Dividend will be issued only to those:

- Certificated Shareholders whose Forms of Election to receive the Cash Dividend, in respect of all or part of their shareholding, are received by the Transfer Secretaries on or before 12:00 on Friday, 31 March 2017; and
- Dematerialised Shareholders who have instructed their CSDP or broker accordingly and in the manner and time stipulated in their agreement with such CSDP or broker.

The terms of the Scrip Distribution are contained in paragraph 3 below.

Shareholders not electing to receive the Cash Dividend in respect of all or part of their ordinary shareholding will, without any action on their part, be entitled to receive the Scrip Distribution in proportion to their ordinary shareholding as at the close of business on the Record Date, being Friday, 31 March 2017 and in accordance with the ratio set out in this Circular.

Mpack does not accept any responsibility, and will not be held liable, for any action on the part of, or omission by, any CSDP, broker or other agent of any beneficial owner of Mpack ordinary shares.

No payment to Shareholders contemplated in this Circular shall carry interest as against the Company. Furthermore, any reference in this Circular to the Cash Dividend payable to or receivable by Shareholders refers to the amount of such dividend, after the deduction of Dividend Withholding Tax, if any, as contemplated in paragraph 3.4 below.

2. RATIONALE

Mpack's current and forecast solvency and liquidity comfortably allows for the payment of a full cash dividend. The Scrip Distribution with the election to receive instead the Cash Dividend allows Mpack to increase its capital base to support continued growth, affords Shareholders the opportunity to increase their shareholding in Mpack and provides flexibility for those Shareholders who would prefer to receive the Cash Dividend. This will also facilitate Mpack's management of its internal liquidity.

3. THE AWARD OF THE SCRIP DISTRIBUTION OR THE ELECTION TO RECEIVE THE CASH DIVIDEND ALTERNATIVE

3.1 Terms of the Scrip Distribution and the Cash Dividend Alternative

Shareholders will be entitled to receive a final distribution of fully-paid Mpact ordinary shares of no par value in respect of all or part of their ordinary shareholding as at the close of business on the Record Date, being Friday, 31 March 2017, in proportion to their ordinary shareholding and to the extent that such Shareholders have not elected to receive the Cash Dividend.

Shareholders will, however, and subject to due completion of the attached Form of Election, be entitled to elect to receive the Cash Dividend alternative of 65 cents per ordinary share of no par value held on the Record Date, being Friday, 31 March 2017, in respect of all or part of their ordinary shareholding and instead of the Scrip Distribution.

The number of Scrip Distribution shares to which each of the Shareholders will become entitled pursuant to the Scrip Distribution (to the extent that such Shareholders have not elected to receive the Cash Dividend) will be determined by reference to such Shareholder's ordinary shareholding in Mpact (at the close of business on the Record Date, being Friday, 31 March 2017) in relation to the ratio that 65 cents bears to the volume weighted average price ("VWAP") of an ordinary Mpact share traded on the JSE during the 30-day trading period ending on Friday, 10 March 2017, provided that, where the application of this ratio gives rise to a fraction of an ordinary share, the rounding principles described in paragraph 3.2 below will be applied.

Example of Scrip Distribution entitlement:

This example assumes that a Shareholder holds 100 ordinary shares at the close of business on the Record Date, being Friday, 31 March 2017, and does not elect to receive the Cash Dividend alternative for all or part of such ordinary shares, and that the VWAP of Mpact's ordinary shares traded on the JSE for the 30-day trading period ending on Friday, 10 March 2017 is 3025 cents per ordinary share.

$$\begin{aligned} \text{New ordinary share entitlement} &= \frac{100 \times 65 \text{ cents}}{3025 \text{ cents}} \\ &= 2.14876 \text{ Scrip Distribution shares per 100 ordinary shares} \\ &\text{held, subject to the rounding principles described in} \\ &\text{paragraph 3.2 below.} \end{aligned}$$

This would result in a shareholder with 100 shares receiving a new ordinary share entitlement of two Scrip Distribution shares plus a cash payment in terms of paragraph 3.2 below.

The Cash Dividend will be paid out of the Company's distributable retained profits while the issue price of the Scrip Distribution (which will equal the volume weighted average price of Mpact's ordinary shares traded on the JSE for the 30-day trading day period ending on 10 March 2017) will be settled by way of capitalisation of the Company's distributable retained profits. The Scrip Distribution shares will, upon their issue, rank *pari passu* in all respects with the other ordinary Mpact shares then in issue.

The Company's total number of issued ordinary shares at the date of this Circular is 168,485,360 (including 845 692 ordinary shares held as treasury shares). Mpact's income tax reference number is 9003862175.

If all Shareholders were to accept the Scrip Distribution, without electing to receive the Cash Dividend alternative, the number of Scrip Distribution shares issued would amount to 3,620,347, based on the assumed Scrip Distribution ratio in the example above (and ignoring rounding down for fractions on a per Shareholder basis) and the aggregate issue price of R109,515,497 being capitalised out of the Company's distributable retained profits.

If all Shareholders were to elect to receive the Cash Dividend the maximum gross cash dividend payable by the Company would be R109,515,484.

3.2 Fractions

Trading on the JSE in the Strate environment does not permit fractions and fractional entitlements. Accordingly, where a Shareholder's entitlement to new Mpact ordinary shares calculated in accordance with the above formula gives rise to a fraction of a new ordinary share, such fraction of a new ordinary share will be rounded down to the nearest whole number, resulting in allocations of whole ordinary shares and a cash payment for the fraction.

The applicable cash payment will be determined with reference to the VWAP of an ordinary Mpact share traded on the JSE on Wednesday, 29 March 2017, (being the day on which an ordinary Mpact

share begins trading 'ex' the entitlement to receive the Scrip Distribution or the Cash Dividend alternative), discounted by 10%.

The applicable cash payment, together with the application of Dividend Withholding Tax to such payment, will be announced and detailed on SENS on Thursday, 30 March 2017.

3.3 Nominee companies

The Transfer Secretaries have been instructed to treat applications from nominee companies as separate applications on the submission of a breakdown of the beneficial owners of ordinary shares registered in the name of the nominee companies.

3.4 Tax implications

The Scrip Distribution and the Cash Dividend alternative are likely to have tax implications for both resident and non-resident Shareholders. Shareholders are therefore encouraged to consult their professional tax advisers, should they be in any doubt as to the appropriate action to take. In terms of the Income Tax Act 58 of 1962 ("the Income Tax Act"), the Cash Dividend will, unless exempt, be subject to Dividend Withholding Tax ("DWT"). South African resident Shareholders that are liable for DWT will be subject to DWT at a rate of 20% of the Cash Dividend and this amount will be withheld from the Cash Dividend with the result that they will receive a net amount of 52 cents per share. Non-resident Shareholders may be subject to DWT at a rate of less than 20%, depending on their country of residence and the applicability of any Double Tax Agreement between South Africa and their country of residence; and

The Scrip Distribution is not subject to DWT in terms of the Income Tax Act, but the subsequent disposal of ordinary shares obtained as a result of the Scrip Distribution is likely to have Income Tax or Capital Gains Tax ("CGT") implications. Where any future disposals of ordinary shares obtained as a result of the Scrip Distribution falls within the CGT regime, the base cost of such shares will be deemed to be zero in terms of the Income Tax Act (or the value at which such ordinary shares will be included in the determination of the weighted average base cost method will be zero).

4. FOREIGN SHAREHOLDERS

The distribution of this Circular, and the rights to receive the Scrip Distribution shares in jurisdictions other than the Republic of South Africa, may be restricted by law and any failure to comply with these restrictions may constitute a violation of the securities laws of such jurisdictions. **Accordingly, Shareholders will not be entitled to receive the Scrip Distribution shares, directly or indirectly, in those jurisdictions and shall be deemed to have elected the Cash Dividend alternative.** Such non-resident Shareholders should inform themselves about and observe any applicable legal requirements in such jurisdictions. It is the responsibility of non-resident Shareholders to satisfy themselves as to the full observance of the laws and regulatory requirements of the relevant jurisdictions in respect of the Scrip Distribution, including the obtaining of any governmental, exchange control or other consents or the making of any filing which may be required, compliance with other necessary formalities and payment of any issue, transfer or other taxes or other requisite payments due in such jurisdictions. Shareholders who have any doubts as to their position, including, without limitation, their tax status, should consult an appropriate adviser in the relevant jurisdictions without delay.

5. PROCEDURE FOR SHAREHOLDERS WHO ELECT TO RECEIVE THE CASH DIVIDEND ALTERNATIVE

Shareholders who wish to receive the Cash Dividend must take the following action:

5.1 Certificated Shareholders wishing to receive the Cash Dividend:

Shareholders who hold certificated ordinary shares ("Certificated Shareholders") and who wish to receive the Cash Dividend must complete the attached Form of Election in respect of all or part of their shareholding in accordance with the instructions contained therein and lodge it with, or post it to, Link Market Services South Africa (Proprietary) Limited, 13th Floor, Rennie House, 19 Ameshoff Street, Braamfontein (PO Box 4844, Johannesburg, 2000) (the "Transfer Secretaries") so as to be received no later than 12:00 on Friday, 31 March 2017. Forms of Election received after this date and time will not be accepted.

5.2 Dematerialised Shareholders wishing to receive the Cash Dividend:

Shareholders who have dematerialised their ordinary shares ("Dematerialised Shareholders") must **not** complete the attached Form of Election. Dematerialised Shareholders are required to notify their duly appointed CSDP or broker if they wish to receive the Cash Dividend, in the manner and

the time stipulated in the agreement governing the relationship between such Shareholders and their CSDP or broker, failing which they will receive the Scrip Distribution.

Dematerialised Shareholders' CSDP/broker accounts will be credited and updated on Monday, 3 April 2017, in accordance with any election made.

5.3 Election in respect of all or part of the Shareholders' ordinary shares

Shareholders may make the election in respect of all or any part of their ordinary shares held on the Record Date, being Friday, 31 March 2017. If an election is made in respect of part of an ordinary shareholding, the Shareholder concerned will receive the Scrip Distribution in respect of the ordinary shares for which the election to receive the Cash Dividend is **not** made. Shareholders who do not wish to receive any Cash Dividend do not need to take any further action and will receive the Scrip Distribution. Shareholders electing to receive the Cash Dividend should note that the election is irrevocable and, once an election to receive the Cash Dividend is made, such election cannot be cancelled.

6. POSTING OF SHARE CERTIFICATES, PAYMENT OF CASH DIVIDEND AND UPDATING/CREDITING OF CSDP/BROKER ACCOUNTS

Where applicable, ordinary share certificates will be dispatched to all Certificated Shareholders by registered post at the risk of such Shareholders on Monday, 3 April 2017 to their registered addresses or in accordance with the instructions given to the Transfer Secretaries.

According to the election made, Cash Dividend payments will be made by electronic funds transfer into the personal bank accounts of Certificated Shareholders on Monday, 3 April 2017. Certificated Shareholders who have not already provided the Transfer Secretaries with their banking details are requested to complete **FORM B: Direct Credit – Bank Account Details** attached to this Circular and return same to the Transfer Secretaries. **(To combat the increase in cheque fraud, the Company has discontinued payments by cheque and accordingly, payment of any Cash Dividend to Certificated Shareholders is dependent on the Transfer Secretaries being in possession of such Certificated Shareholder's banking details.)**

Dematerialised Shareholders' CSDP/broker accounts will be updated on Monday, 3 April 2017.

7. LISTING OF NEW ORDINARY SHARES

Application has been made to the JSE to list the maximum possible number of Scrip Distribution shares issued in terms of the Scrip Distribution, with effect from the commencement of business on Wednesday, 29 March 2017. An adjustment of the number of ordinary shares listed will be made on or about Wednesday, 5 April 2017, in accordance with the actual number of ordinary shares issued in terms of the Scrip Distribution.

The right to receive new ordinary shares in terms of the Scrip Distribution is not renounceable and may not be traded on the JSE.

8. EXCHANGE CONTROL REGULATIONS
